One hour of physical and mental challenges including Clever Catapult, a tug-of-war challenge, cryptic clues and more!

- Exciting, themed game for **adults, family & child groups**.
- Meet real medieval characters in **full costume**.
- Work as a team – **use strength, intelligence and guile**.
- Experience history at Berkhamsted Castle **like never before**.
- Enjoy the beautiful grounds – **a must-do experience**.

Join King John and his wife Isabella of Angoulême to play a medieval adventure game at wonderful Berkhamsted Castle, an English Heritage site

There is an old parchment hidden in the grounds, showing a secret tunnel you can use to escape, before the castle is besieged by the French Prince Louis.

**You need to find it before the invasion begins in just 1 hour!**

Solve exciting clues and puzzles to find the missing document  
- **you need to escape before it's too late!**
